

## An-I Yeh

Professor Emeritus @ Graduate  
Institute of Food Science and Technology,  
NTU

### Experience

2019/01-present Professor Emeritus, Graduate Inst. of Food Sci. & Technol., NTU  
1992/08-2019/01 Professor Graduate Inst. of Food Sci. & Technol., NTU  
2006/08-2009/07 Director, Graduate Inst. of Food Sci. & Technol., NTU  
1994/06-1994/09 Visiting Professor, Dept. of Food Science, Rutgers U.  
1987/08-1992/07 Associate Professor, Graduate Inst. of Food Sci. & Technol., NTU  
1986/08-1987/08 Research Associate, Dept. of ChE and Biochemistry, Rutgers U.  
1980/11-1981/09 Research Scientist, President Enterprise Co.  
1979/06-1980/10 Sales Engineer, Shei-Tai Starch & Chemicals Co.

### Education

1977 BS Food Science, National Chung-Hsing University  
1983 M.S. Chemical Engineering, Montana State University (MSU)  
1986 Ph.D. Chemical Engineering, MSU

### Expertise

Starch chemistry and rheology, Nano/Submicron scale Edible Materials, Food Engineering and Safety, Processing of Functional Food

### Honors and Awards:

- The Outstanding Research Award, Ministry of Science and Technology, Taiwan, 1994.
- The Outstanding Research Award, Taiwan Institute of Food Science & Technology, 1996.
- Excellence in teaching. National Taiwan University, 2014
- IFT Certified Food Scientist 2013
- IUFoST Fellow, 2018

### Publications

SCI papers : 82; Patents: 40
