

Abstract Submission Guidelines

Important: all people who want to submit an abstract have to register for the conference first. Should your abstract be rejected, you have the right to cancel your registration without any cancellation fee. Please mind that abstract submission is limited to 2 abstracts per participant.

Either you continue after the online registration process to submit an abstract or you go to your Conference Account by using the URL and log in details sent to you by mail after having registered for the conference. You will see this picture below:
